## Education

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.E.(AI & Data Science)	DYP, Pune	9.23	2022 - Present
Senior Secondary(XII)	Maharashtra State Board	2022	62.67%
Secondary(X)	Maharashtra State Board	2018	81.6%

## Experience

- **Cognifyz Technologies** June 2024 - Present  
*Front End Web Development Intern || Java Development Intern* Pune ,India
  - Spearheaded the UI design team in conceptualizing and executing innovative user interface solutions for diverse digital platforms, ensuring alignment with brand guidelines and user experience best practices.
  - Efficiently completed assigned tasks with a focus on minimizing time complexity and integrating newly learned concepts such as algorithm optimization, data structures and algorithm in Java Programming .
- **Bharat Intern** march 2024 - present  
*Front End Web Development Intern* Pune, India
  - Collaborated on the end-to-end development of dynamic web applications, gaining hands-on experience with both front-end and back-end technologies such as HTML, CSS, JavaScript, and React Js .
  - Developed a collection of visually appealing animated buttons using modern web technologies, contributing to the project's overall aesthetic and user experience.

## Projects

- **Career Guidance Chat-Bot** GitHub  
*HTML | CSS | JavaScript | Python*
  - Created Career-Bot using Python for project-based learning. Developed four distinct chatbots
  - Employed scalable architecture principles, facilitating the system's growth and accommodating a growing user base. Successfully managed database interactions, ensuring efficient data retrieval and storage, resulting in a highly performant and scalable application.

## Leadership and Extracurricular

- **AISA and NN** Sep 2023 - Present  
*Member*
  - Engaged in diverse club activities, participating in coding contests, hackathons, and workshops to enhance problem-solving skills, algorithmic thinking, and coding proficiency.
  - Focuses on both Technical and Non-technical activities – the heart of the AI & DS branch.
- **Nasscom FSP Ambassador** Nov 2022 - present
  - I have become an ambassador of Nasscom at FE. This opportunity has been an incredible journey, allowing me to learn and explore a plethora of new technologies.
  -

## Technical Skills

C++ | Java | Python | Java-Script | React-JS | Node-JS | Github | Netlify | Vercel | Figma | Firebase | MongoDB | SQL | DSA (in Java) | Project Management | J-Query |
